Mr. Raj Sharma
(Manager)
Lasso Art Designs,
Indore

Dear Mr. Sharma,
I am writing to express my strong interest in the web developer position at Lasso Art Designs, as advertised on Google. As a dedicated student currently pursuing Diploma in Computer Engineering at Ambedkar DSEU Shakarpur campus 1, I am confident that I possess the skills and expertise to
contribute to your dynamic team.

My diploma program has equipped me with a strong foundation in web development, including coursework in HTML, CSS, JavaScript, etc. I have had the opportunity to work on a range of web development projects, which has allowed me to develop practical skills and a passion for creating functional and user-friendly websites.

Here are some key strengths and qualifications that I bring to the role as a diploma student:
- **Diploma in Computer Engineering:** I am pursuing Diploma in Computer Engineering, where I gained a comprehensive understanding of web development principles and best practices.
- **Coursework:** I have completed coursework in web development that has provided me with the necessary skills to develop and maintain websites.
- **Hands-On Experience:** My practical experience in web development projects during my diploma program has honed my ability to create responsive and visually appealing websites.

- **Team Collaboration:** I have experience working in a team environment, and I am confident in my ability to collaborate effectively with colleagues.
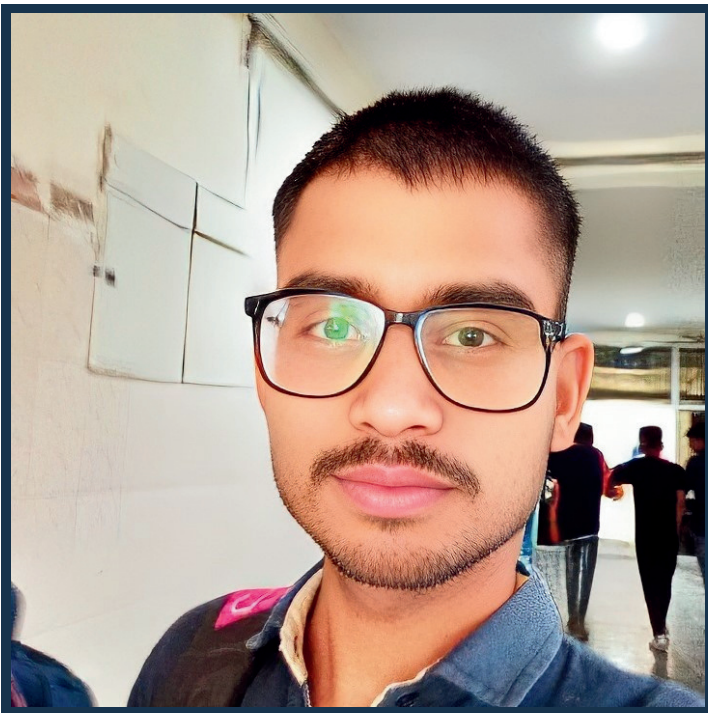

I am impressed by Lasso Art Designs's reputation for innovation and excellence in web development. I am eager to contribute my skills, energy, and passion for web development to your team.

I would welcome the opportunity to discuss how my diploma program and project experience make me a valuable candidate for the web developer role at Lasso Art Designs. Please find my resume attached for your reference. You can reach me at +919310057110 or pathak.swati2006@gmail.com to schedule an interview.

Thank you for considering my application. I look forward to the possibility of working with your team at Lasso Art Designs and contributing to your continued success.

Sincerely,
Swati Kumari

JOB REFERENCE: AUTOMATION(JAVA/SELENIUM) QA ENGINEER
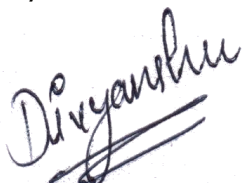

Dear Rashid,

I am writing to express my strong interest in the Automation (Java/Selenium) QA Engineer position with GlobalLogic (Job: IRC189600). I am eager to contribute my technical skills and passion for software testing to your team.

As a recent graduate with a strong foundation in Java and Selenium, I am enthusiastic about the opportunity to join GlobalLogic and develop my skills further. During my academic journey, I have gained valuable knowledge in test automation and the principles of functional web-based testing.

I am particularly drawn to GlobalLogic because of your commitment to exciting projects, a collaborative work environment, and your emphasis on work-life balance and professional development. I am confident that I can be a valuable addition to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and enthusiasm align with your organization's needs in more detail.

Sincerely,
Divyanshu Yadav

DIVYANSHU YADAV

SOFTWARE ENGINEER

As a qualified and dedicated Automation (Java/Selenium) QA Engineer, I bring a strong foundation in Java and Selenium along with a passion for software testing. My analytical skills, eye for detail, and team-player mindset make me a valuable asset to your team.
